## STUDENT STORIES

**“Two weeks into the program, my business sold with ease and... I had 26k left over”**

After this goal, my goal was to find my perfect \*male :) mate. While I haven't found “the one” yet, I have definitely felt the love within myself, for others, and others towards me. All of my friends have been taking me out to lunch and paying for me! And I see the richness and quality of friendships that I have. I am so lucky! I know my perfect mate is coming! I also am working on manifesting my perfect career. Little things: I got an extra cash back bonus check from American Express for \$225. I got an \$845 tax return when I thought I was going to have to pay. All business calls with closing my business went extremely smooth and every one I talked with was so friendly and made sure I would incur no fees. Yes!!!!!! I love Christie, and I am so grateful for the universe for putting this program in my path. To this day, I still have no idea how I found it, which makes it even better! I love Unlimited Abundance it truly is the truth!

**“I am about halfway through your course and it is really resonating”**

I am 50 and was married for 14 years and kind of lost myself and my value. As that ended, I am reinventing myself and career so that I can feel the freedom to once again support myself and my daughter easily and take on a life that inspires both myself, my daughter and those women around me feeling the same way as I did. I am about half way through your course and it is really resonating... Thank you! I respond very well to energetic work and love that I can now see that ease and joy in life can be realized. I am fired up and am pursuing the creation of graphic photography merchandising for businesses in the Napa Valley.

**“I have managed to save about \$7,000 in a very short time period”**

I am a writer, lecturer, facilitator, and relationship coach. I am very creative but I knew I had some energy blocks so I was looking for the best way to get to the matter and resolve it. Now I am choosing to make the connections that will put me in the front of my field, and I am working a wonderful new book. Soon I will be approaching various media about interviews. I have managed to save about \$7,000 in a very short time period of about two months. I am on my way to a job interview that lasts 5 days at a hot-springs resort so at the very least I will have free organic vegetarian meals and lodging at a wonderful spa resort while I decide if I want the position. I am being approached by many beautiful women who want to get to know me better and I am feeling very confident about my future as money making ideas fill my thoughts. I am also putting my intention out there to meet Christie to thank her in person when the timing and energy is right.

**“I had shed 173 lbs. and was at a ‘what next’ phase in my life.”**

Getting unstuck from debt and wanting to open up more to life is why I signed up for this course. I had shed 173 lbs. and was at a “what next” phase in my life. I am ready to open up to life. The first one I listened to was “Clearing Feeling Stuck” because that was where I was at the time. I’m not stuck any more! Whoo hoo! The question that got me going was something like “what have I been wanting to do but haven’t taken action yet to do?” The first thing that came into my mind was simple. I’d been wanting to get a certain haircut. So I did!

And it got the ball rolling. Next, I started yoga. And this week I got my art room combined with my office in the brightest lightest space in our home. The old art room is now a relaxing guest bedroom and meditation space. We have never had a guest bedroom before so that ones us up to more people. I love Unlimited Abundance so far! Thank you!

## “\$30,000 of unexpected money has come into my life”

I just wanted to let you know that I purchased Unlimited Abundance recently and I listened to one session per day for 24 consecutive days. The results have been way beyond anything I could've imagined in my wildest dreams. I was working full time for a software company and we were going through a restructuring. I had a feeling my job was going to be eliminated so I wanted to test Christie's Unlimited Abundance exercises. I started manifesting that \$20,000 or more would come to me in some fashion during February. Today is only February 13th and \$30,000 of unexpected money has come into my life. I was notified today that my job is ending next week and I'm receiving 3 months severance which I wasn't expecting. I've also received numerous consulting opportunities that I'm sure came to me once I removed my blockages. I will easily receive more than \$40,000 this month because of my clearing the blockages. I was especially blocking my ability to receive from the universe. I love to give but always felt uncomfortable receiving but Christie removed those blocks for me. Thank you and Christie for changing my life. She's amazing!!

~ Ted Prodrinou

## “It is life changing!”

So far since starting the course just before Christmas I have had some money show up. Firstly I was given a 10% pay rise which far exceeds the industry average in this current economic climate. Secondly I mentioned my successful laser surgery to a friend who mentioned it to her friend who had it done herself and gave my name and said i had recommended her. I got a cheque of £50.00 for the referral. Totally unexpected! My family all live in London some 200 miles away, I usually end up going to see them as its more convenient. Not having visited me for over a year my dad decided to come up this weekend with one of my brothers, despite the fact that I'll be visiting them next weekend. He gave me a cheque for £5000.00 and the £60.00 to get something nice for my self with. Apart from the financial manifestations, the energies in my home feel my lighter and peaceful due to clearing out

my clutter. Being positive and optimistic is now becoming the norm rather than a struggle. Thank you Christie so much for Love Or Above and Unlimited Abundance. It is life changing!!!

**“This course will definitely give a new perspective on life challenges”**

My goal for using Unlimited Abundance was to continue on my path of self-improvement and ensure that there were no remaining blocks to my abundance and also learn and integrate a new method of removing them. I noticed I was angry when I would wake up after playing the sessions during my sleep. I felt this was a big indicator I still had more work to do and I have been applying the techniques given. They are working great! I believe everyone needs to better understand themselves and their patterns. This course will definitely give a new perspective on life’s challenges while actually fixing the root cause and not just addressing the symptoms. It’s great!

~ Brandy Thomas

**“I’ve gained approximately \$60,000 worth of consulting contracts”**

It has taken a few weeks, but manifestation has been at work – so I’ll be in a position to pay my outstanding Unlimited Abundance course fees on Thursday. Just to fill you in, I made a promise that, if within the 10-day \$1 trial period I was able to gain an additional \$4,000 in resources – I’d happily pay for the course. The flow of events has been such that I’ve gained approximately \$60,000 worth of consulting contracts stemming from actions and decisions taken during that trial week. As the flows have begun to arrive I’m delighted to pay my fee, and also to share my success story with you. Wishing you a wonderful day.

~ AJ

## **“Unlimited Abundance opens doors of the mind to more possibilities”**

I just went through a divorce. I know the first thing is to take it to God. Then to look at myself and see where a change is needed, to fully fill my purpose and get on with it. To not attract what does not serve the best in me and create, as co-creator, a brilliant plan. I have joined a choir, created a web page to display my portrait painting, invited my friends to come over one at a time for quality time and reflexology. Taken care of important business. Started taking French. Just for fun worked to speed up my typing skills. Completed three more commissioned paintings. I have lost 25 pounds. I work out daily and eat a healthy diet. All these changes since I joined Mindvalley programs and Christie's program has had a wonderful effect on my situations and decisions. To be open to change is very freeing. Unlimited Abundance opens doors of the mind to more possibilities. Action must be taken for any great thing to come about..... Thank you for your support, loving words and fun spirit. Blessings to you.

## **“I have felt a dramatic reduction on self-doubts and fears”**

My goal was to acknowledge and remove/transcend any blocks I may have on my overall life. I am familiar with energy clearing, so the program resonated deeply for me. Since the beginning of the sessions there has been a strong shift on my awareness regarding thought and emotional patterns in my daily life. As someone who has been struggling financially, the main improvement has been the almost complete removal of anxiety towards the future, unnecessary and automatic worrying and stress. I have felt a dramatic reduction on self-doubts and fears that had me paralyzed and unable to move forward in the past, becoming “lighter” and filled with new ideas and enthusiasm. I would definitely and certainly recommend it to someone that is “ready”. I think Unlimited Abundance is a great tool for creating personal breakthroughs. It is an AWESOME product.
