## Section 1: The Truth About Money

“I look at money as a \_\_\_\_\_” ~ Christie

The true cause of your money situation is your abundance \_\_\_\_\_.

We start imprinting these things at a young age prior to the age of \_\_\_\_\_ .

Manifesting anything is basically just a \_\_\_\_\_ total of all your  
\_\_\_\_\_ frequencies and \_\_\_\_\_ and  
beliefs about money.

You have an energetic \_\_\_\_\_ point about  
money.

## Section 2: The Abundance Blocks

Example of a block: Working \_\_\_\_\_ is the only \_\_\_\_\_  
to success.

When you think about debt, credit cards and bills - does it make you \_\_\_\_\_ and fuzzy inside or do you feel \_\_\_\_\_ .

If left unchecked, even one abundance block is enough to \_\_\_\_\_ your life. As single block can overshadow and derail your life.

Most people have at least a \_\_\_\_\_ of these blocks.

Ask the Universe to show you what your \_\_\_\_\_ are so you can clear them up.

Common Block: Treating your job as \_\_\_\_\_ of your \_\_\_\_\_.

Do you wish to live your life from \_\_\_\_\_ energy or do you want to get into a space where you love what you do everyday.

### Section 3: How Energy Block Clearing Works

“I hold the image and reality of a perfect energy \_\_\_\_\_ and abundance. And then ask what’s in the way of that reality.”

In working with 20,000 people, at first I had to \_\_\_\_\_ for the places people hide things.

## COMMON ABUNDANCE BLOCKS :

*Money is the \_\_\_\_\_.*

*Your job is the \_\_\_\_\_ of your abundance.*

## Section 4: The Energy Clearing Session

No notes to take for this session as it will be an immersive session with you being guided into an altered state.

You will get very relaxed so assume a posture where you will not fall asleep. Its best to sit in a meditation posture or on a chair (keep your back straight to prevent falling asleep).

**Write down the answer to the question you were asked during meditation.**

How much would you earn this year if you would allow all your abundance blocks to leave: \$ \_\_\_\_\_

How Much happier would you be if you would allow all your abundance blocks to leave: \_\_\_\_\_%

How much would you be earning in the net 5 years if you would allow all your abundance blocks to leave: \$ \_\_\_\_\_.

## Section 5:

### How Much Are Your Abundance Blocks Costing You

There are \_\_\_\_\_ abundance blocks that affect all of us to varying degrees.

Go to Christie's website at [www.UnlimitedAbundance.com/special](http://www.UnlimitedAbundance.com/special) to use the Calculator to get a sense of how much your income should grow if you had healthy abundance (The calculator is 3/4 of the way down the page).

This formula is based on the idea that someone with normal, good abundance should see their income rise \_\_\_\_\_ percent every year since the year they first started working.

John from Hawaii's story showed that when you clear these blocks and learn the tools, you can also use it to heal issues with family \_\_\_\_\_.

When you clear a block, you start to feel differently within \_\_\_\_\_ hours. And results are often seen in the real world in as soon as \_\_\_\_\_ weeks.

## Section 6:

### Questions and Answers for Christie

No specific notes for this section. But we want you to think about the following:

## ASK YOURSELF :

***Does the energy of your job...***

- Feed you back? \_\_\_\_\_
- Does it add to your life or does it deplete your life?

**Use this space for your own notes**

## The Energy Clearing for Abundance

### Preparation tips:

- Make sure **you are in a quiet place** where nothing can distract you, and that **you are not driving a car** or any other vehicle during the time of energy clearing.
- **Stretch you muscles** before we start. Stretching loosens the muscles and tendons allowing you to sit (or lie) more comfortably. Additionally, stretching starts the process of “going inward” and brings added focus to the body.
- **Take a deep breath.** Breathing deep slows the heart rate, relaxes the muscles to help you have a comfortable experience during the energy clearing.
- **You can prepare candles and other spiritual** paraphernalia in the room where you will meditate to help you feel at ease.

## SELF REFLECTION :

The right questions can spur your subconscious to feed you the right answers...so ask yourself.

*What your life will be like if your income goes up by at least 10-15% every year?*

*How will my world views change once I remove some of my most damaging blocks?*

*How can I contribute more to my family, myself, my community if I can enhance my abundance to the point where I can not just provide for my own best needs — but also have enough to share. ?*
